

IN THE CLAIMS

A clean copy of the amended claims is provided below. A marked-up copy of the amended claims is provided in Appendix A attached to this document.

Please amend claims 3-4 and 12-13 as follows:

1        3. (Amended) The formatting template of claim 2 wherein the qualified  
2 tag comprises a concatenation of XML element start tags that must be traversed in  
3 the XML file to get to a particular element.

1        4. (Amended) The formatting template of claim 2 wherein the qualified  
2 tag identifies a description that is used to format the content for the element.

1        12. (Amended) The printing system of claim 11 wherein the qualified tag  
2 comprises a concatenation of XML element start tags that must be traversed in the  
3 XML file to get to a particular element.

1        13. (Amended) The printing system of claim 11 wherein the qualified tag  
2 identifies a description that is used to format the content for the element.
